**CONNECT**

AUTOMATIZAÇÃO PARA PERSIANAS (COMANDO WI-FI) VIA APLICATIVO E ALEXA/GOOGLE HOME.

Conectividade e comodidade no seu dia a dia, é possível acionar suas persianas remotamente, acionar através do comando de voz e/ou monitorar via aplicativo. É compatível com Alexa e com Google Home, onde será possível:

- Controlar a sua cortina por comando de voz e garanta mais facilidade e comodidade em seu dia a dia;
- Acione a abertura e o fechamento das suas persianas de onde você estiver diretamente pelo aplicativo.;
- Programe a abertura e/ou o fechamento da sua persiana para o horário que desejar, nascer ou pôr do sol ou mudança de temperatura;
- Ajuste o tempo de abertura das suas persianas.
